

ASSAULT FITNESS PRESENTS
ASSAULTBIKE PRO X

WHISPER QUIET

Designed for the home user or gym goer, the AssaultBike Pro X's two-stage drivetrain is dual belt-drive to deliver the user's power directly to the machine. Quietly. A cogged belt in the first-stage ensures zero slipping while the poly-v belt in the second-stage creates a smooth ride and feel. Sealed-cartridge bearings in every pivot, hydraulically pressed ISIS-drive connections and an encased drivetrain that protects against sweat, dust, dirt and debris makes this the lowest maintenance AssaultBike to date.

DIMENSIONS + WEIGHT ASSEMBLED
WARRANTY: 3 YEARS PARTS, 7 YEAR FRAME

MEET THE NEW ASSAULTBIKE PRO X

Celebrating TEN years of the original bike you love to hate! The AssaultBike Pro X is the ultimate tool for those looking for a more custom and powerful training experience. We listened to real user feedback and created the latest evolution of the AssaultBike that is whisper quiet and includes all of the amenities of the Classic and Elite models with additional features that will take the user experience to the next level.

RIDE IN COMFORT

The AssaultBike Pro X offers high intensity, low impact cardio training that's totally scalable to athletes of all skill levels. The AssaultBike Pro X's comfortable padded seat, conveniently placed foot pegs, and ergonomic Q-Factor make for the most user-friendly ride available on a fan bike today. We've extended the front stabilizer width to 23 inches giving you a secure and safe platform no matter how hard you push the intensity.

STAY CONNECTED

The AssaultBike Pro X features our Elite console, which has a high contrast LCD screen and Bluetooth & ANT connectivity so you can track workouts on the Assault Fitness app on your preferred smart device. Plus, you can customize your training using one of the seven onboard programming options or the competition mode setting. Included with every AssaultBike Pro X is a dedicated phone and waterbottle holder for easy access to hydration and your connected lifestyle.
